

Water use waiver (No lifeguard)

Waiver and Release for swim without RWM certified lifeguard

I recognize and acknowledge that Red Willow Ministries will not be providing a Red Cross certified lifeguard for use during my group's retreat or rental. Therefore, I acknowledge that all usage of the pool and waterfront will be at our risk and we waive Red Willow Ministries of all responsibility for any injury or death resulting from incidents that occur at the pool or waterfront.

We further agree to return all life jackets, umbrellas, water toys, boats, paddles and anything else that we use to their proper location before departing camp.

We, the undersigned, agree to follow all instructions from Red Willow Ministries staff regarding dates and times where the pool or waterfront are off-limits. We waive Red Willow Ministries of all liability as it pertains to unsafe behavior of your group's participants and inclement weather. Lastly, we agree to follow Red Willow Ministries policies and state law concerning the use of personal floatation devices on watercraft.
